To Whom It May Concern

"The Forecourt Bureau of Ireland were employed by us to advise and guide through a sensitive and delicate series of negotiations which were critical to our development at a particular point in time. We found the service as provided by Oliver Lupton of the Forecourt Bureau to be informative, accurate and professional in all aspects. We concluded our involvement with a very satisfactory result on both a personal level and financial level.

We would have no hesitation in recommending Oilver Lupton of Forecourt Bureau of Ireland as a professional adviser in matters pertaining to the Petrol Retail business"
